

## Costs and conditions for ordering digital images in effect from 20 May 2022

We can provide high-quality digital photographs of a large number of museum objects, and we have also digitized quite a lot of historical moving images.

In order to fund this digitization, the Limburgs Museum asks that third parties requesting photo or film material pay a small fee.

### Costs of ordering digital photos

To request digital images, please e-mail the collections team at [collecties@limburgsmuseum.nl](mailto:collecties@limburgsmuseum.nl)

Please state clearly the purpose for which the photo(s) will be used, the file format in which the photo is required, the size of the print run in which the photo will be used, etc.
